Panorama Washing Co. Ltd. (New Office Building)

Panorama Green ETP (Effluent Treatment Plant)

Green ETP of Panorama Washing Co. Ltd with Rain Water Harvesting Plant & Water Recycling Plant.

Name of the Project: Panorama Washing Co. Ltd.

(A sister concern of Panorama group.)

History of Panorama washing:

Panorama Washing Co. Ltd. was established in 2013 with a production capacity were 300,000 pcs with a view to provide good service to all garment manufacturers who require washing facilities. At **present** production capacity has increased **30 lac pcs per month & daily 100000** pcs.

At previous panorama washing was stablished in Tejgaon I/A but Now Panorama Washing Co. Ltd. location is at Kodda Nandun, Gazipur Company's purchased own land along with maintain all compliances, because buyer's requires need treatment plant & various compliance should be along with washing plant. This is also mandatory for Environment department, without this buying company would not be able to give order for wash their products to a washing plant.
